

HERFF JONES
Indianapolis, Indiana

*Creative Excellence in School Jewelry
Awards, Fine Papers, and Publishing*

YOUR CLASS RING The class ring is symbolic of graduation from high school and displays that accomplishment. This beautiful ring heralds a significant milestone in your education, personal growth and development. Wear it proudly!

NORMAL WEAR Your class ring may be worn for all normal activities; however, you should remove it when participating in strenuous athletics, working with moving machinery, strong chemicals and when using a home permanent wave solution.

Initially, your ring may not feel "just right" if you have not been accustomed to wearing one. Climate and your own activity will temporarily affect the size of your finger. Wear your ring for at least two weeks before considering any size alteration.

CARE OF YOUR CLASS RING Never allow your ring to come in contact with mercury as permanent discoloration will occur.

Both gold and silver have a natural tendency to tarnish slightly. Use any good gold or silver polish to restore the original color and luster to your Herff Jones ring. Your ring can be cleaned by dipping a discarded tooth brush in a solution of a half-teaspoonful of ammonia to a cup of water, and subsequent polishing with a soft cloth. Your ring can also be cleaned in a mild soapy solution, rinsed in clear water, and dried.

GUARANTEE Our school jewelry is guaranteed to be free from defects in workmanship and material, and to be of the quality described in the orders under which it is sold.

FINE GRADUATION PRODUCTS Herff Jones Company is a leading manufacturer of school jewelry, awards, fine papers, and publishing. Its high quality products are class rings, school pins, charms, medals, graduation announcements, and year books. Ask your Herff Jones representative for details or write.
